E. Actual written notice (and publication notice) of the Sale Hearing, the Auction, the Motion, the Sale, and the assumption, assignment and/or transfer of the Assigned Contracts, and a reasonable opportunity to object or be heard with respect thereto and to the entry of this Sale Order has been afforded to all known interested Persons and entities entitled to receive such notice, including, but not limited to, the following parties: (i) counsel to the Committee; (ii) counsel to the Sellers; (iii) those entities or individuals included on the Debtors' list of 30 largest unsecured creditors on a consolidated basis; (iv) the United States Trustee for the District of New Jersey (the "United States Trustee"); (v) all entities (or counsel therefore) known to have asserted any lien, charge, claim or encumbrance on the Acquired Assets; (vi) all federal, state and local regulatory or taxing authorities that are reasonably ascertainable by the Debtors to have a known interest in the Acquired Assets; (vii) known non-debtor counterparties to any unexpired leases or executory contracts that could potentially be assumed and assigned to the Successful Bidder; (viii) those parties who expressed a bona fide interest in acquiring the assets in the six (6) months preceding the date of the Motion; and (ix) those parties who have requested notice pursuant to Bankruptcy Rule 2002.

Free and Clear of all Liens, Claims, Encumbrances and Other Interests; and (2) the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection Therewith; and (B) Granting Related Relief.

F. The Debtors published notice of the Sale, the Bidding Procedures, the Asset Purchase Agreement, the time and place of the proposed Auction, the time and place of the Sale Hearing and the time for filing an objection to the Motion on the website maintained by the Debtors' Claims and Noticing Agent appointed in these Chapter 11 cases as well as the National Edition of the New York Times (as evidenced by the Affidavit of Publication set forth at DI 442). With no objection to the Break-Up Fee and Expense Reimbursement having been filed by the deadline for doing so, and, as provided for in the Bidding Procedures Order, upon no objections being filed, the Asset Purchase Agreement having been deemed a stalking horse bid for purpose of the Bidding Procedures, the Bankruptcy Court has previously approved the Break-Up Fee and Expense Reimbursement, which are not subject to appeal or reconsideration as required under the Asset Purchase Agreement.

G. In accordance with the provisions of the Bidding Procedures Order, the Debtors have served notice (as supplemented, the "Assumption and Assignment Notice") of the Executory Contract List upon all of the counterparties to the Assigned Contracts setting forth: (i) the contract(s) and/or lease(s) that may be assumed by the Debtors and assigned to the Purchaser; (ii) the name and address of the non-Debtor counterparty thereto; (iii) the amount, if any, determined by the Debtors to be necessary to be paid to cure and compensate for any existing default in accordance with sections 365(b) and 365(f)(2) of the Bankruptcy Code (the "Cure Costs"); and (iv) the deadlines by which any such counterparty must file an objection to the proposed assumption and assignment of any Assigned Contract.

H. The service of such Assumption and Assignment Notice (i) was good, sufficient and appropriate under the circumstances of the Chapter 11 Cases, (ii) provided such counterparties with a full and fair opportunity to object to such assumption, assignment, or transfer and to the proposed Cure Costs set forth in the Assumption and Assignment Notice; and (iii) was in compliance with the Bidding Procedures Order and applicable provisions of the Bankruptcy Rules and Local Rules. Accordingly, no other or further notice need be given in connection with such assumption, assignment, or transfer or with respect to the amount of Cure Costs.

I. As evidenced by the affidavits of service previously filed with this Court and as approved under the Bidding Procedures Order: (i) due, proper, timely, adequate and sufficient notice of the Motion, the Auction, the Sale Hearing, the assumption and assignment of the Assigned Contracts, and the Sale has been provided to all parties-in-interest; (ii) such notice was, and is, good, sufficient and appropriate under the circumstances of the Chapter 11 Cases, provided a fair and reasonable opportunity for parties-in-interest to object, and to be heard, with respect thereto, and was provided in accordance with sections 102(1), 363 and 365 of the Bankruptcy Code, Bankruptcy Rules 2002, 6004, 6006, 9006, 9007 and 9014, and the applicable Local Rules; and (iii) no other or further notice with respect to such matters is necessary or shall be required.

"Ancillary Agreements"),⁵ including, without limitation, the assumption, assignment, and/or transfer of the Assigned Contracts (collectively, the "Transactions") pursuant to sections 363 and 365 of the Bankruptcy Code, prior to and outside of a plan of reorganization, and such action is an appropriate exercise of the Debtors' business judgment and in the best interests of the Debtors, their estates, and their creditors. Such business reasons include, but are not limited to, the facts that: (i) there is substantial risk of diminution of the value of the Acquired Assets if the Sale is not consummated promptly; (ii) the Asset Purchase Agreement constitutes the highest or otherwise best offer for the Acquired Assets; (iii) the Asset Purchase Agreement and the Closing will present the best opportunity to realize the value of the Debtors and avoid decline and devaluation of the Debtors' businesses; and (iv) unless the Sale is concluded expeditiously as provided for in this Sale Order and pursuant to the Asset Purchase Agreement, potential creditor recoveries may be substantially diminished.

Good Faith of the Purchaser; No Collusion

K. The Debtors have exercised their respective fiduciary duties in evaluating the Transactions and have independently determined that the Transactions are in the best interests of the Debtors, their estates, and their creditors. None of the Purchaser, the Purchaser Designee, nor

any of their respective representatives or Affiliates have exercised control over the Debtors, or the manner in which the Transactions were approved and authorized by the Debtors.

L. The Purchaser and the Purchaser Designee, as applicable, are purchasing the Acquired Assets in good faith, and each is a good faith purchaser, within the meaning of section 363(m) of the Bankruptcy Code, and each is therefore entitled to, and granted pursuant to paragraphs 28-31 below, the full rights, benefits, privileges, and protections of that provision, and each has otherwise proceeded in good faith in all respects in connection with the Transactions in that, *inter alia*: (i) the Purchaser recognized that the Debtors were free to deal with any other party interested in acquiring some or all of the Acquired Assets; (ii) the Purchaser complied with the provisions in the Bidding Procedures Order; (iii) the Purchaser agreed to subject its bid to the competitive bidding procedures set forth in the Bidding Procedures Order; (iv) all payments to be made by the Purchaser and other agreements or arrangements entered into by the Purchaser in connection with the Sale have been disclosed; (v) neither the Purchaser nor the Purchaser Designee has violated section 363(n) of the Bankruptcy Code by any action or inaction; and (vi) the negotiation and execution of the Asset Purchase Agreement and Ancillary Agreements were at arms' length and in good faith.

M. None of the Debtors, the Purchaser, or the Purchaser Designee, or any of their respective representatives, has engaged in any conduct that would cause or permit the Asset Purchase Agreement or any of the Ancillary Agreements, or the consummation of the Transactions, to be avoidable or avoided, or for costs or damages to be imposed, under section

363(n) of the Bankruptcy Code, or has acted in bad faith or in any improper or collusive manner with any Person in connection therewith.

Highest and Best Offer

N. The Debtors have complied in all material respects with, the Bidding Procedures Order. The Debtors and their professionals have, under the circumstances, adequately and appropriately marketed the Acquired Assets in compliance with the Bidding Procedures and the Bidding Procedures Order. The auction process set forth in the Bidding Procedures Order afforded a full, fair and reasonable opportunity for any Person or entity to make a higher or otherwise better offer to purchase the Acquired Assets. The Auction was duly noticed and a reasonable opportunity has been given to any interested party to make a higher or otherwise better offer for the Acquired Assets.

O. The Asset Purchase Agreement constitutes the highest and best offer for the Acquired Assets, and will provide a greater recovery for the Debtors' estates than would be provided by any other available alternative. The Debtors' determination that the Asset Purchase Agreement is the highest and best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtors' business judgment.

P. The Asset Purchase Agreement represents a fair and reasonable offer to purchase the Acquired Assets under the circumstances of the Chapter 11 Cases. No other Person or entity or group of entities has offered to purchase the Acquired Assets for greater economic value to the Debtors' estates than the Purchaser.

Q. Approval of the Motion and the Asset Purchase Agreement, and the prompt consummation of the Transactions contemplated thereby, is in the best interests of the Debtors, their creditors, their estates and other parties-in-interest.

No Fraudulent Transfer; Not a Successor

R. The Asset Purchase Agreement and Ancillary Agreements were not entered into, and the Transactions are not being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors under applicable Law, and none of the parties to the Asset Purchase Agreement or any of the Ancillary Agreements are consummating the Transactions with any fraudulent or otherwise improper purpose. The Purchase Price for the Acquired Assets constitutes (i) reasonably equivalent value under the Bankruptcy Code and the Uniform Fraudulent Transfer Act, (ii) fair consideration under the Uniform Fraudulent Conveyance Act and (iii) reasonably equivalent value, fair consideration, and fair value under any other applicable Laws of the United States, any state, territory or possession or the District of Columbia.

S. Except as expressly set forth in the Asset Purchase Agreement with respect to the Assumed Liabilities, the Purchaser and the Purchaser Designee shall have no liability, responsibility, or obligations of any kind or nature whatsoever for any Interest (as defined below) of or against the Debtors, or otherwise related to the Acquired Assets, by reason of the transfer of the Acquired Assets to the Purchaser or such Purchaser Designee. The Purchaser and the Purchaser Designee shall not be deemed, as a result of any action taken in connection with the Transactions, to: (1) be a successor (or other such similarly situated party) to any of the Debtors (other than with

The Purchaser and the Purchaser Designee are not acquiring or assuming any Interest, except as expressly set forth in the Asset Purchase Agreement with respect to the Assumed Liabilities.

Validity of Transfer

T. Subject to the entry of this Sale Order, the Debtors have full corporate power and authority to (i) perform all of their obligations under the Asset Purchase Agreement and the Ancillary Agreements, and the Debtors' prior execution and delivery thereof and performance thereunder is hereby ratified in full, and (ii) consummate the Transactions. The Asset Purchase Agreement and Ancillary Agreements, and the Transactions contemplated thereby, have been duly and validly authorized by all necessary corporate action. No further consents or approvals are required for the Debtors to consummate the Transactions or otherwise perform their respective obligations under the Asset Purchase Agreement or the Ancillary Agreements, except in each case as otherwise expressly set forth in the Asset Purchase Agreement or applicable Ancillary Agreements.

U. As of the Closing Date, the transfer of the Acquired Assets to the Purchaser or the Purchaser Designee, including, without limitation, the assumption, assignment and transfer of the Assigned Contracts, will be a legal, valid, and effective transfer thereof, and vests the Purchaser and the Purchaser Designee, as applicable, with all right, title, and interest of the Debtors in and to

the Acquired Assets, free and clear of all Interests accruing or arising any time prior to the Closing Date, except as expressly set forth in the Asset Purchase Agreement.

Section 363(f) Is Satisfied

V. The Purchaser and the Purchaser Designee would not have entered into the Asset Purchase Agreement and would not consummate the Transactions contemplated thereby if the sale of the Acquired Assets, including the assumption, assignment and transfer of the Assigned Contracts, to the Purchaser or the Purchaser Designee, as applicable, were not free and clear of all Interests of any kind or nature whatsoever (except as expressly set forth in the Asset Purchase Agreement), or if the Purchaser or the Purchaser Designee, any of their respective subsidiaries or Affiliates, or any of their respective representatives, would, or in the future could, be liable for any of such Interests.

W. The Debtors may sell or otherwise transfer the Acquired Assets free and clear of all Interests because, in each case, one or more of the standards set forth in section 363(f)(1)–(5) of the Bankruptcy Code has been satisfied. Those holders of Interests against the Debtors, their estates or any of the Acquired Assets who did not object, or who withdrew their objections, to the Sale or the Motion are deemed to have consented thereto pursuant to section 363(f)(2) of the Bankruptcy Code and their Interests, if any, shall attach to the proceeds of the Sale attributable to the Acquired Assets in which such creditor alleges or asserts an Interest, in accordance with the provisions of paragraph 14 herein. Those holders of such Interests who did object fall within one or more of the other subsections of section 363(f) and are adequately protected by: (i) having their

23. Upon the payment of the applicable Cure Costs or reservation of the Alleged Cure Claim, if any, the Assigned Contracts will remain in full force and effect, and no default shall exist, or be deemed to exist, under the Assigned Contracts as of the Closing Date nor shall there exist, or be deemed to exist, any event or condition which, with the passage of time or giving of notice, or both, would constitute such a default. 24. All non-Debtor counterparties to the Assigned Contracts shall be deemed to have consented to such assumption and assignment under section 365(c)(1)(B) of the Bankruptcy Code and the Purchaser or Purchaser Designee shall enjoy all of the Debtors' rights, benefits and privileges under each such Assigned Contract as of the applicable date of assumption and assignment without the necessity to obtain any non-Debtor parties' written consent to the assumption or assignment thereof.

The execution and delivery of this Agreement and the Ancillary Agreements and the consummation of the Transactions have been duly and validly approved and adopted by all necessary action of Purchaser and no other proceedings or approvals (shareholder or otherwise) on the part of Purchaser are necessary to approve this Agreement and the Ancillary Agreements and to consummate the Transactions. This Agreement has been duly and validly executed and delivered by Purchaser. Assuming due authorization, execution and delivery by each Debtor, this Agreement constitutes, and each of the Ancillary Agreements at the Closing will constitute, the valid and binding obligation of Purchaser, enforceable against Purchaser in accordance with their terms, except as such enforcement may be limited by (a) the effect of bankruptcy, insolvency, reorganization, receivership, conservatorship, arrangement, moratorium or other laws affecting or relating to the rights of creditors generally, or (b) the rules governing the availability of specific performance, injunctive relief or other equitable remedies and general principles of equity, regardless of whether considered in a proceeding in equity or at law.

5.3 **No Defaults.** The execution and delivery by Purchaser of this Agreement and the Ancillary Agreements and the consummation of the Transactions do not and will not (a) with or without the giving of notice or the lapse of time, or both, conflict with, or result in the material breach of or constitute a material default under, or result in the modification, cancellation, lapse or termination of, or limitation, or curtailment under, or materially violate any (i) provision of Law, or (ii) agreement (including without limitation any loan or financing agreement), Contract, lease, power of attorney, commitment, instrument, insurance policy, arrangement, undertaking, order, decree, ruling or injunction to which Purchaser is subject or a party or by which it is bound (or with respect to which its properties or assets are subject or bound); or (b) violate the articles of incorporation or bylaws of Purchaser.

5.4 **Governmental and Other Consents.** Except for the receipt of any necessary Bankruptcy Court approval in accordance with the Bankruptcy Code and any bulk sales filings to be made by Purchaser, no consent, notice, authorization or approval of, or exemption by, or filing with or notifications to any Governmental Authority or any other Person, whether pursuant to contract or otherwise, is required in connection with the execution and delivery by Purchaser of this Agreement and the Ancillary Agreements and the consummation of the Transactions.

5.5 **Financial Ability.** Purchaser has cash available that is sufficient to enable it to pay the Deposit and the Purchase Price, as well as all other amounts (including Cure Amounts) otherwise payable to consummate the Transactions pursuant to and in accordance with this Agreement.

5.6 **No Brokers.** Purchaser has not incurred and will not incur, directly or indirectly, as a result of any action taken or permitted to be taken by or on behalf of Purchaser, any Liability for brokerage or finders' fees or agents' commissions or similar charges in connection with the

execution and delivery by Purchaser of this Agreement and the Ancillary Agreements and the consummation of the transactions contemplated hereby and thereby.

ARTICLE VI COVENANTS

6.1 **Operation of Business.** Subject to the requirements of, and the obligations imposed upon, each Debtor as debtor-in-possession and pursuant to the Bankruptcy Code and except as otherwise contemplated by this Agreement or the Bidding Procedures Order or as required to comply with debtor-in-possession financing obtained by such Debtor, from the date hereof and until the Transactions shall have been consummated or abandoned as contemplated herein, each Debtor shall operate the Business in the ordinary course (relative to that in effect immediately prior to the execution of the Agreement) and, consistent with such operation and the budget set forth in Debtor's debtor-in-possession credit agreement, and consistent with acting as a debtor-in-possession in a Chapter 11 bankruptcy case, shall use commercially reasonable efforts to maintain the goodwill associated with the Business and the relationships with the employees, customers and suppliers of the Business. Without limiting the generality of the foregoing, from and after the date hereof until the earlier of the Closing or the termination of this Agreement in accordance with its terms, the Sellers shall not (except as consented to in writing by Purchaser) do any of the following: (a) hire any employees or terminate the services of any existing employees, increase, accelerate or provide for additional compensation, benefits (fringe or otherwise) or other rights to any current or former employee, or agree to do any of the foregoing, except as required by applicable law, and (b) materially modify, change, renew, extend or terminate any Contract or relationship with any customer of the Business, other than renewals or extensions in the ordinary course of business.

6.2 **Bidding Procedures Order.** The purchase and sale of the Acquired Assets will be subject to competitive bidding in accordance with (and only in accordance with) the terms of the Bidding Procedures Order and the Bidding Procedures. For the avoidance of doubt, the Purchaser shall constitute a Qualified Bidder and this Agreement a Qualified Bid under the Bidding Procedures.

6.3 **Notice of Stalking Horse Bid.** Following the execution of this Agreement by the Debtors and the Purchaser, the Debtors shall file and serve a notice on the Bankruptcy Court docket in accordance with ordered paragraph 8 of the Bidding Procedures Order providing notice of this Agreement which shall serve as a Stalking Horse Bid (as defined in the Bidding Procedures Order) and certain amendments or modifications to the Bidding Procedures, in form reasonable satisfactory to Purchaser (the "Notice of Stalking Horse Bid").

6.4 **Break-Up Fee and Expense Reimbursement.** As provided for in the Bidding Procedures and the Bidding Procedures Order, Purchaser shall be entitled to a Break-Up Fee (as defined in the Bidding Procedures Order) in the amount of \$450,000 and an Expense Reimbursement (as defined in the Bidding Procedures Order) in the amount of \$75,000. The Notice of Stalking Horse Bid shall provide notice of the Break-Up Fee and the Expense Reimbursement.

6.5 **Approval.** The Debtors shall diligently prosecute the approval of the amendments and modifications to the Bidding Procedures included in the Notice of Stalking Horse Bid and the Break-Up Fee and Expense Reimbursement.

6.6 **Approval Order.**

(a) Prior to the Closing, and subject to the provisions of this Agreement, Purchaser and Debtor shall use their commercially reasonable efforts to obtain entry of an order or orders by the Bankruptcy Court pursuant to §§363 and 365 of the Bankruptcy Code (the "Approval Order"), in form and substance reasonably acceptable to the parties which shall approve this Agreement and the transactions described herein. and which shall contain the following provisions (it being understood that certain of such provisions may be contained in either the findings of fact or conclusions of law to be made by the Bankruptcy Court as part of the Approval Order):

(i) that each Debtor may sell, transfer and assign the applicable Acquired Assets and assume and assign the applicable Assigned Contracts to Purchaser pursuant to this Agreement and Bankruptcy Code §§105, 363 and 365, as applicable

(ii) the transfers of the Acquired Assets by each Debtor to Purchaser (A) vest or will vest Purchaser with all right, title and interest of such Debtor in and to the Acquired Assets, and to the fullest extent permitted by 11 U.S.C. § 363(f) and all other applicable laws free and clear of all Liens and claims (including, but not limited to, any "claims" as defined in 11 U.S.C. § 10 I (5)), reclamation claims, covenants; restrictions, hypothecations, charges, indentures, loan agreements, causes of action, instruments, contracts, leases, licenses, options, rights of first refusal, offsets, recoupment, rights of recovery, judgments, orders and decrees of any court or foreign or domestic governmental entity, claims for reimbursement, successor liability, contribution, indemnity or exoneration, assignment, preferences, debts, charges, suits, rights of recovery, interests, products liability, alter-ego, environmental, successor liability, tax and other liabilities, causes of action and claims, and in each case whether secured or unsecured, choate or inchoate, filed or untiled, scheduled or unscheduled, notice or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, or known or unknown whether arising prior to, on, or subsequent to the date on which Debtors filed their voluntary petitions under Chapter 11 of the Bankruptcy Code, whether imposed by agreement, understanding, law, equity or otherwise (collectively, "Claims") (other than Permitted Liens), with such Liens and Claims to attach only to the proceeds of sale with the same priority, validity, force and effect as they existed with respect to the Acquired Assets prior to Closing, and (B) constitute transfers for reasonably equivalent value and fair consideration under the Bankruptcy Code and the laws of the State of New Jersey;

(iii) the transactions contemplated by this Agreement are undertaken by Purchaser and Debtors at arm's length, without collusion and in good faith within the meaning of section 363(m) of the Bankruptcy Code, and such parties are entitled to the protections of section 363(m) of the Bankruptcy Code;

(iv) this Agreement was negotiated at arms-length;

(v) the sale of the Acquired Assets hereunder was conducted in a “non-collusive manner” within the meaning of Section 363(n) of the Bankruptcy Code;

(vi) a determination that selling the Acquired Assets free and clear of all Liens other than Permitted Liens is in the best interest of each Debtor’s Estate; and

(vii) that Purchaser shall not assume any of the Excluded Liabilities.

(b) If the Approval Order or any other orders of the Bankruptcy Court relating to this Agreement shall be appealed by any Person (or a petition for certiorari or motion for rehearing or reargument shall be filed with respect thereto), each party hereto agrees to use commercially reasonable efforts to obtain an expedited resolution of such appeal; provided, however, that nothing herein shall preclude the parties hereto from consummating the Transactions if the Approval Order shall have been entered and has not been stayed in which event Purchaser shall be able to assert the benefits of §363(m) of the Bankruptcy Code.

6.7 Access to Facilities, Personnel, and Information.

(a) Prior to the Closing, each Debtor shall permit representatives of Purchaser to have reasonable access during regular business hours and upon reasonable notice, and in a manner so as not to interfere with the normal business operations of such Debtor, to all premises, property, books, records (excluding Tax records), Contracts, and documents of or pertaining to the Business which are under such Debtor’s control (provided that any representatives of Purchaser shall be subject to the confidentiality obligations under the Confidentiality Agreement or otherwise agree in writing to be bound by the terms of such Confidentiality Agreement applicable to Purchaser thereunder).

(b) From the Closing Date through and including the first anniversary of the Closing Date, Purchaser shall grant each Seller, and their respective representatives reasonable access to the books and records transferred to Purchaser pursuant to this Agreement during regular business hours and upon reasonable notice for the purpose of allowing such Seller or its successor, or their respective representatives to perform the duties necessary for the liquidation of each Seller’s Estate. To the extent reasonably required by any Seller, Purchaser shall make one or more of the Transferred Employees available to such Seller to assist in such Seller’s wind-down of its Estate provided that such access does not unreasonably interfere with the conduct of the Business by Purchaser.

6.8 Further Assurances. Purchaser and each Debtor agree to take such further actions and execute such other documents as may be reasonably required to fulfill the conditions to Closing and, after Closing, to fully effect the transactions contemplated by this Agreement and the Ancillary Agreements and further secure to each party the rights intended to be conferred hereby and thereby.

6.9 Tax Matters.

(a) All Transfer Taxes incurred in connection with the purchase and sale of the Acquired Assets shall be borne equally by Debtors, on the one hand, and Purchaser, on the other hand, in each case when due. Debtors shall file, to the extent required by applicable Law,

all necessary Tax Returns and other documentation with respect to all such Transfer Taxes. To the extent required by applicable Law, Purchaser will join in the execution of any such Tax Returns or other documentation.

(b) Purchaser and Debtors agree that the Purchase Price and Assumed Liabilities (together with any other amounts treated as consideration for Income Tax purposes) (the "Tax Purchase Price") shall be allocated among the Acquired Assets in a manner that is in accordance with the allocation methodology set forth on Exhibit A hereto and Section 1060 of the Code and the Treasury Regulations promulgated thereunder (collectively, the "Allocation Methodology"). Purchaser and Debtors shall negotiate in good faith, on or prior to the Closing Date, an allocation of the Tax Purchase Price among the Acquired Assets in accordance with the Allocation Methodology. Purchaser and Debtors shall each file all Tax returns (and IRS Form 8594, if applicable) on the basis of such agreed upon allocation (the "Allocation Schedule"), and no party shall thereafter take a Tax return position inconsistent with such Allocation Schedule unless such inconsistent position shall arise out of or through an audit or other inquiry or examination by the Internal Revenue Service or other Governmental Body responsible for Taxes. Any adjustments to the Purchase Price pursuant to this Agreement shall be allocated in a manner consistent with the Allocation Schedule. Notwithstanding the allocation of the Tax Purchase Price in this Section 6.9(b), nothing in the foregoing shall be determinative of values ascribed to the Acquired Assets or the allocation of the value of the Acquired Assets in any proceeding in the Chapter 11 Case that may be proposed. Debtors reserve the right on their behalf and on behalf of Debtors' estates, to the extent not prohibited by applicable law and accounting rules, for purposes of any proceeding in connection with the Chapter 11 Case, to ascribe values to the Acquired Assets and to allocate the value of the Acquired Assets to Debtors in the event of, or in order to resolve, creditor disputes in the Chapter 11 Case.

(c) If requested by Purchaser, each Debtor shall notify all of the Taxing authorities in the jurisdictions that impose Taxes on such Debtor or where such Debtor has a duty to file Tax Returns in connection with the transactions contemplated by this Agreement in the form and manner required by such Taxing authorities, if the failure to make such notifications or receive any available tax clearance certificate (a "Tax Clearance Certificate") could subject Purchaser to any Taxes of Debtors. If any Taxing authority asserts that any Debtor is liable for any Tax, such Debtor shall promptly pay or in good faith contest any and all such amounts and shall provide evidence to Purchaser that such liabilities have been paid in full or otherwise satisfied or contested.

6.10 Transaction-Related Documents. In light of the fact that all Transaction-Related Documents are excluded assets, and notwithstanding any other provision hereof, each Seller and its designated representative shall have the right to cause the removal of any and all Transaction-Related Documents which may exist in any of the files of such Seller or on any of its computer systems. The parties hereto acknowledge that notwithstanding the foregoing, certain Transaction-Related Documents may inadvertently be or remain resident in the files or computer systems of a Seller following the Closing. Accordingly, Purchaser covenants and agrees that it shall not seek to access, review or copy any of such Transaction-Related Documents which may remain in any of the files of a Seller or on any of its computer systems, including without limitation its back-up, business continuity or archive systems, at any time, and shall promptly delete or destroy any of such Transaction-Related Documents of which it may become aware. In addition, at the written

request of any Seller from time to time for so long as the Chapter 11 Case shall not have been discharged, Purchaser shall permit any Seller and its designated representatives reasonable access to Purchaser's facilities and systems, including without limitation its back-up, business continuity or archive systems, upon reasonable notice and during business hours, as necessary to access Transaction-Related Documents or other Excluded Assets for the limited purpose of removing or destroying any such Transaction-Related Documents or otherwise taking action necessary or appropriate in connection with the Chapter 11 Case, and shall cooperate with any Seller in connection therewith, and each Seller agrees to exercise such right in a manner reasonably designed to protect the confidentiality of Purchaser's information and to minimize interference with the operation of its business.

6.11 **Transition Services.** From the Closing until August 31, 2019, NEMF shall provide (and shall use best efforts to provide through September 30, 2019) to Purchaser (at no cost to Purchaser) access to its NEMIS/AS400 Server to facilitate the transition and integration of the Business after the Closing. During this period, Purchaser (and its representatives) shall be afforded access to NEMF's facility for the purpose of copying and/or downloading applicable files of the Business that will facilitate the migration to Purchaser's own server.

ARTICLE VII EMPLOYEES

7.1 **Employee Matters.** Purchaser may offer employment to the Employees of Sellers, as selected by Purchaser (as applicable, "Transferred Employees"), on such terms and conditions as may be acceptable to the Employees and Purchaser in its sole discretion and need not bear any relationship to terms and provisions applicable to their employment by Sellers; provided, however, Purchaser shall (i) make a sufficient number of employment offers on such terms and conditions as necessary to ensure that the termination by Sellers of Sellers' Employees as of the Closing Date will not trigger obligations, if any, under the WARN Act or (ii) pay all obligations and expenses pursuant to the WARN Act, if any.

7.2 **COBRA and Benefits Coverage.** Effective on the Closing Date, the group health plans maintained by NEMF in which the Employees of Sellers are participants will be terminated. Purchaser will be responsible for providing continued medical coverage pursuant to its group health plans under Part 6, Title I of ERISA and Section 4980B of the Code ("COBRA Continuation Coverage"), for each Employee of Sellers not hired by Purchaser and for each "M&A qualified beneficiary" (within the meaning of Treasury Regulation §54.4980B-9 Q&A-4) applicable to the Acquired Assets. As soon as practicable prior to the Closing, Sellers will provide to Purchaser a list of all M&A qualified beneficiaries who are receiving or eligible to elect COBRA Continuation Coverage on the Closing Date, and Purchaser will issue to them all COBRA Continuation Coverage notices.

7.3 **No Third-Party Beneficiaries.** Sellers and Purchaser acknowledge and agree that all provisions contained in this Article VII, with respect to current or former Employees are included for the sole benefit of Sellers and Purchaser, and that nothing herein, whether express or implied, shall create any third-party beneficiary or other rights (i) in any other Person, including, without limitation, any current or former employees, directors, officers or consultants of Sellers,

any participant in any Employee Benefit Plan, or any dependent or beneficiary thereof, or (ii) to continued employment with Purchaser.

ARTICLE VIII TERMINATION; EFFECT OF TERMINATION

8.1 **Termination.** This Agreement may, by notice given prior to or at the Closing, be terminated:

- (a) by mutual consent of Purchaser and Debtors;
- (b) by Debtors or Purchaser in the event the Closing has not occurred (other than through failure of any party seeking to terminate this Agreement to comply fully with its obligations under this Agreement) on or before July 31, 2019;
- (c) by Debtors if, incident to the Bid Procedures Order, Debtors accept and closes on a competing bid for the purchase of all or part of the Acquired Assets;
- (d) by Purchaser if (i) any Debtor shall file a motion to sell all or part of the Acquired Assets to a third party other than Purchaser and shall thereafter consummate such sale, or (ii) any Debtor's Chapter 11 Case is converted to one under Chapter 7 of the Bankruptcy Code; or
- (e) by the non-breaching party upon a material breach of any provision of this Agreement, provided that such breach has not been waived by the non-breaching party and has continued after notice to the breaching party by the non-breaching party without cure for a period of five (5) Business Days (provided that the non-breaching party shall have an immediate right to terminate if the breaching party has willfully breached any provision of this Agreement which breach is not cured).

8.2 **Effect of Termination.** If this Agreement is terminated pursuant to Section 8.1(a), by Debtors pursuant to Section 8.1(c) or if Debtors elect not to sell the Acquired Assets to Purchaser in Purchaser's capacity as Back-up Bidder (as defined in the Bidding Procedures), by either party pursuant to Section 8.1(b), or by Purchaser pursuant to Section 8.1(b), (d) or (e), Purchaser shall have no Liability or obligations under this Agreement and the Deposit shall be returned to Purchaser. If this Agreement is terminated by Debtors pursuant to Section 8.1(e), Purchaser shall forfeit the Deposit, and, in addition, Debtors may exercise whatever remedies may be available to them in equity or at law. In no event shall any termination of this Agreement relieve any party hereto of any Liability for any willful breach of this Agreement by such party. If Debtors receive the Deposit, such receipt shall constitute liquidated damages, which the parties agree is fair and reasonable and shall not be deemed a penalty, and Purchaser and its Affiliates shall be released from any further Liability under this Agreement.
